DEPARTMENT OF HORTICULTURE, LAL-BAGH, BANGALORE.

Sealed tenders for the supply of chemicals will be received in the Office of the Director of Horticulture at Lal-Bagh, Bangalore, up to 3 P.M., of 16th April 1931. The contract will be for a period of one year and three months from 1st April 1931 to 30th June 1932.

Conditions.

(1) The tender which should be in the form given below wherein are given the approximate quantity and description of articles required should state clearly the rate at which each article can be supplied throughout the period and must be accompanied by samples.

(2) Every tender should be accompanied by the Treasury Duplicate Challen for having remitted the earnest money of Rs. 100. The earnest money will be forfeited to Government, if the tenderer whose tender is accepted, fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in para 3 below or if the tenderer withdraws from his tender before the acceptance or non-acceptance of his tender is communicated to him. In the case of rejected tenders, the earnest money will be returned.

(3) The successful tenderer will be required to execute an agreement within a week from the date of acceptance of tender binding himself to the conditions of the contract and to deposit a sum of Rs. 100, as security for the due fulfilment of the contract. The amount so deposited will be returned to him on the termination of contract at the end of the period.

(4) The rates quoted should include the cost of free delivery at Lal-Bagh and other Gardens in Bangalore, as will be noted in the indents that would be sent to him.

(5) The contractor should present his bills once a month for supplies made by him during the month to this office for arranging payment of the amount due to him.

(6) No application from the contractor for any short of concessions whatever in consequence of the rise in the prices of the articles in the market due to scarcity, or other causes will be considered.

(7) Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit forfeited to Government. The contractor will also be bound to make good any loss which may arise from his failure to supply the articles contracted for, or by Government having to purchase the articles specified in the contract in the local market at higher rates than those contracted for.

(8) The Director of Horticulture reserves himself the right of finally accepting or rejecting any tender without assigning any reason therefor.

(9) The supplies are to be made according to approved samples.
